Dr. Ajit Kumar Mishra,  
Joint Secretary to Government

To  
Director, Medical Education and Training, Odisha, Bhubaneswar.

**Sub: Administration of Orissa Clinical Establishments (Control and Regulation) Act 1990 and Rules made thereunder-Clarification regarding**

Sir,

I am directed to say that doubts have arisen amongst the Supervising Authorities, whether Clinical Establishments are deemed to be registered, till their applications are either renewed or rejected under the provisions of the Act by the Supervising Authority. In this regard, Law Department opinion was sought. Based on that opinion, it is clarified that the certificate of registration is to be renewed if the application is made within the prescribed time period and should not be rejected unless it falls within the exception provided in the proviso to sub-section (5) of Section-6. Therefore, Clinical Establishments in respect of those applications for renewal have been made within the prescribed time and have been kept pending disposal with the Supervising Authority are deemed to be registered unless the applications are rejected in terms of the proviso to sub-section (5) of Section-6.

All Supervising Authorities may be appraised accordingly.

Yours faithfully,
